The relationship between the Collector and the informants is that we are all sorority sisters in Kappa Delta.

I myself had heard these songs sung and used by the informants several times before. They are usually sung at Roxy Night on Fridays but at any time the sisters get together and want to sing, they are sung. The roxy songs are sung at informal get togethers such as slumber parties with the pledges, walk through dinners, parties, and in small room parties. The more serious songs are sung usually during the weekly dinners between dinner and desert or for serenades.

The informants first remember hearing the songs sung at their first pledge overnight. In March 1967, at the KD house, and they were sung by the actives and informally taught to the pledges. These songs are not usually practiced but usually just picked up and carried on in the house.

The reason I chose these informants was the fact that they both like to sing and are hams. They also probably know the most songs which our house sings.

1. Sigma Alpha Epsilon

Come sing to Sigma Alpha Epsilon,
And to Minerva who will lead us on,
And to Pi Alpha with her guiding light,
And to the lion who will fight, fight, fight, fight.

And in the years to come I'll tell my son,
About the very best Fraternity,
Come sing to Sigma Alpha Epsilon,
Come sing along with S.A.E.

She was a virgin in her freshman year,
She was a virgin with her conscience clear.
She never smoked or drank or necked or pet,
She was the sweetheart of the campus you can bet.
Until she met a man from SAE,
He did away with her virginity,
He did it once,
And it was oh so very nice-she even let him do it twice,
Down in the Bum Room,
Rah dah dah dah,
That's all they ever did.
He signed her yearbook-----
YOU'RE FRIEND!

2. Phi Kappa Psi

You put her in a corner,
You hold her tight like this,
You put your arms around her waist,
And on her lips a kiss,- if she'll let you,
And if she starts to murmur,
And if she starts to cry,
Just tell her its the sacred seal,
Of old Phi Kappa Psi.

I put her in a corner,
I held her tight like this,
I put my arms around her waist,
And on her lips a kiss,- and she let me,-
She didn't start to murmur,
She didn't start to cry,
And now there is a legacy,
To old Phi Kappa Psi--Phi Kappa Psi.

3. Sigma Alpha Mu

On the steps of SAM boys,
 Crying like hell,
 Lies a new born baby,
 Oh! Oh! how that son of a bitch could yell and yell,
 And who can be its father,
 Maybe its you,
 Just another bastard son of Sigma Alpha Mu.

And who could be its mother,
 That's a problem too,
 Just another girl gone down for Sigma Alpha Mu.

And who could be its brother,
 Maybe its you,
 Just another legacy of Sigma Alpha Mu.

4. Beta Theta Pi Lullaby

I'm gonna rock-a-bye my baby to a Beta lullaby,
 And bring her up-on Beta lore & Beta The-ta Pi,
 I'm gonna oc-cu-py that old porch chair,
 And sing to Phi Chi Phi,
 While the Beta stars,
 Are shinin' in the sky-the Beta sky.

And when that evenin' sun goes down,
 I'm gonna pass that lovin' cup around,
 And rock-a-bye my baby to a Beta lullaby,
 Rock-a-bye, baby the sandman is nie,
 Rock-a-bye, rock-a-bye, rock-a-bye,
 Rah, dah,
 Shhhhhh! baby's asleep.

5. Delta Tau Delta

Me and my gal from Delta town, town, town, town,
 We go for many miles arou- around,

We like our lemonade, blanket parties, serenades,
 Me and my gal from Delta town.

You should see her gown it would really knock you down,
 Me and my gal from Delta town, town, town, town,
 We go for many miles around.

We like our lemonade, blanket parties, serenades,
 Me and my gal from Delta town.
 You should see her gown,
 It was always falling down,
 Me and my gal from Delta town.

Some kind of men go SAE,
 Some men go DU.
 Some kind of men go SX,
 Some go SN. NU NU NU

20. The Pink and Blue

Oh the Beta's they wear the pink and blue, pink and blue,
 Oh the Beta's they wear the pink and blue, pink and blue,
 Oh the Beta's wear the pink and blue,
 I think that's so sweet, don't you,
 There's no hiding place down there.

Oh the Pi Phi's they are a bunch of wrecks, bunch of wrecks,
 Oh the...

 Turn out the lights and turn on the sex,
 There's...

Oh the DG's they are a bunch of Queens, bunch of Queens,

 Footsteps on their windowsills,
 There's....

Oh the Kappa's wear the golden key, golden key,
 Oh the...
 Oh the...
 The key to their virginity,
 There's....

Oh the Alpha #Z's they wear the golden quill, golden quill,
 Oh the...

 The actives won't but the pledges will,
 There's....

Phi Sigma Kappa

Date Collected: May 14, 1969

Place Collected: Phi Sigma Kappa Fraternity

In an interview session which was informal
Informants: Members of Phi Sigma Kappa

Our house had been in with the Phi Sigma Kappas for I. U. Sing
and at one exchange they sang some of their clean roudy songs.

Collectors Name : Linda McAllister

Address: 1005 N. Jordan

Birthplace: Huntington, In.

Age: 21

The relationship between the collector and informants was that
of an informal interview.

The informants said that most of the songs which they sung are
usually sung after they have been drinking. This was the first time
I had heard many of these songs and some songs that I heard before had
different versus.

1. Phi Sigma Kappa Brothers Ever Growing Throngs

Hail the ever growing throngs,
Phi Sigs true and loyal,
Brothers as we march along toward that goal so bright,
Press onward, though we face adversity wherever we may roam,
For it's always fair weather boys,
When the Phi Sigs Come Back Home.

2. Pour Ye Old Purple Wine

Pour ye, pour the old purple wine,
And we'll drink the old old toast.
The words that we sing will be ever the same,
Though we wonder from coast to coast.

We pledge tonight our manhood and might,
Our friendship full and free,
To Phi Sigma Kappa our loyal fraternity.

3. The Souse Family

Drunk last night, Drunk the night before,
Gonna get drunk tonight like I've never been drunk before,
Oh when I'am drunk, I'am as happy as can be, for,
For I'm a member of the Souse Family,

Oh the Souse Family is the best family,
That ever came over from old Germany,

Singing glorious, glorious, Chorus
One keg of beer for the four of us,
Singing glory be to God that there are no more of us,
But one of us could drink it all alone,
Damn near,
Pass the beer,
Over here.

What's that smell on the evenin' breeze,
It's the God damn Phi Delt's and SAE's.

Chorus

Oh God made the Irish,
God made the Dutch,
But when God made the Irish,
He didn't make much.

Chorus

3. Cont. The Souse Family

Oh there's the highland Dutch and the lowland Dutch,
And the Rotterdam Dutch and the God damn Dutch,

Chorus

Oh a Dutch girls titty is a Dutch boys pride,
Instead of milk there's beer inside,

Chorus

Oh half the world is white and free,
And the other half is SAE.

Chorus

Oh the Delta Chi's are best at shoveling shit,
But the Theta's eyes are better at eating it.

Chorus

4. Pi Phi Garter

High above a Pi Phi garter,
High above her knee,
Lies the power of her beauty,
Her Virginity.

Lift her up and lay her gently,
Down upon the grass.

Oh what I would do or die for,
A piece of Pi Phi ass.

5. Raggety Ass Phi Sigs

Adam was the first man the Phi Sigs ever took in,
Socrates the wisest to ever wear the pin,
Sampson was the strongest although he had the itch,
And when Julius Ceasar came along we pledged the son-of-a-bitch.

As we go marching,
As the band begins to F-l-a-y,
You can hear the people shouting,
The raggety ass Phi Sigs are back again,
Sing it again, Sing it again,

Chorus

Stowe was the first man the Phi Sigs ever took in,
Hauffman was the wisest to ever wear the pin,
Baker was the strongest although he had an itch,
And when Paul Bastrum came along they pledged a son-of-a-bitch.

Chorus

11. Cont. Roll Your Leg Over

I wish that all girls were like blades of grass,
And were a mower I'd mow me some ass,

Chorus

12. Football With Jesus And Moses

There was a football game last night in Heavens own backyard,
With Jesus playing quaterback and Moses playing guard.
You should have heard the hometown folf give out a mighty yell,
When Jesus threw a touchdown against the guys from Hell.

Stay with God, stay with God,

With Moses on the nine yard line and Jesus passing mighty fine,

Stay with God, stay with God,
ROCK-UM-SOCK-UM JESUS KNOCK-UM! STAY WITH GOD.

13. Has Anybody Seen J. C.

5'9" eyes that shine,
Hails from norther Palestaine,
Has anybody seen J.C.
He's no sinner,
He's so neat,
He's so cool,
He can walk across your pool,
Has anybody seen J.C.

If you should run into a swinging Jew carrying a cross,
Voice so shrill up a hill,
He still thinks that he's the boss.

He's last words,
He's last tale,
Judas send me my fan mail,
Has anybody seen J.
He'll be back in Three days,
Anybody seen J. C.

14. Nothing Could Be Finer

Nothing could be finer than to be in your ~~virgins~~ in the mornin',
Nothing could be sweeter than to have you rub my peter in the mornin',
If I had a dick that was 12 inches long,
I'd stick it you all night long,
Nothing could be finer than to be in your ~~varginz~~ in the mmornin'!
